BY THE BOARD:

This Order memorializes action taken by the Board of Public Utilities (Board) at its March 22 2007 Agenda Meeting.

The Board of Public Utilities' Customer On-Site Renewable Energy (CORE) program has offers prescribed financial incentives to New Jersey property owners to encourage the installation of Class I renewable energy technologies. Eligible applicants may receive rebates for a portion of the cost of installing solar, wind or sustainable biomass at their site.

The Staff of the Office of Clean Energy (OCE) has reviewed the application of Morristown for a monetary rebate in the amount of \$1,765,582 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system rated at 700 kW at the Morristown Wastewater Services Administration in Morristown, New Jersey. The number assigned to this application by OCE is BPU-3881. The docket number for this matter is EO07030171. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of the Borough of Fort Lee for a monetary rebate in the amount of \$333,960 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system for an installation rated at 107 kW at the Borough of Fort Lee Community Center New Jersey, 1325 Inwood Terrace, Fort Lee, New Jersey. The number assigned to this application by OCE is BPU-4330. The docket number for this matter is EO07030172. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of the Borough of Fort Lee for a monetary rebate in the amount of \$137,840 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system rated at 37 kW at the Borough of Fort Lee Police Department, 1327 16th Street, Fort Lee, New Jersey. The number assigned to this application by OCE is BPU-4331. The docket number for this matter is EO07030173. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of the Borough of Fort Lee for a monetary rebate in the amount of \$107,740 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system rated at 52 kW at the Borough of Fort Lee Department of Public Works, 1000 Ponsi Street, Fort Lee, New Jersey. The number assigned to this application by OCE is BPU-4404. The docket number for this matter is EO07030174. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of the United States General Services Administration for a monetary rebate in the amount of \$149,650 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system rated at 40.7 kW at the General Services Administration Trenton Courthouse Annex in Trenton, New Jersey. The number assigned to this application by OCE is BPU-4331. The docket number for this matter is EO07030175. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

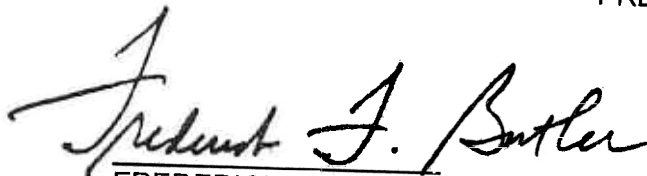

Based on the foregoing, the OCE recommends that the Board approve the above referenced rebate applications. Upon review, the Board **FINDS** that the applications fully conform to all relevant eligibility requirements for the CORE program.

The Board **HEREBY APPROVES** the aforementioned rebate applications for the amounts requested and **AUTHORIZES** the Staff of the OCE to issue a standard commitment letter to the applicants identified above, setting forth the terms and conditions of this rebate commitment.
